

2020 Seoul GBC Plenary Meeting

FKI

- Commemorating the 10th anniversary of the 2010 G20 & B20 Seoul Summit
 - A meeting format of G20-B20 Summit was established in 2010.
 - Discussions on setting up the B20 Coalition, the precursor to the GBC, was initiated.

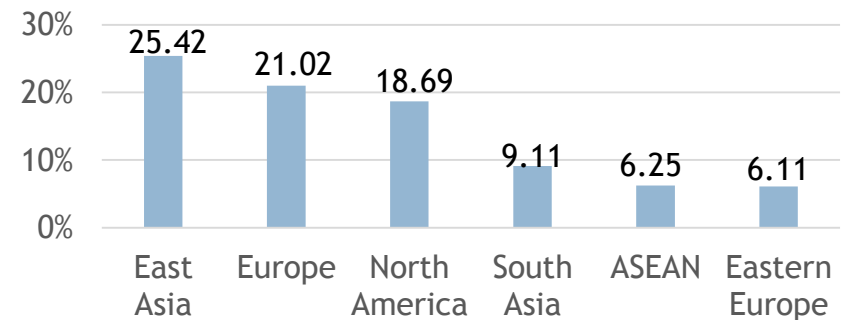

- Celebrating the 60th anniversary of founding the FKI in 1961
 - Korea's rapid economic growth bolstered by cooperation with overseas partners

GBC

- Raising the profile as a global representative of independent business associations
 - Korea, a mid-sized country, suitable to encourage new membership of emerging countries to the GBC
 - East Asia, one of the three pillars of the global economy, suited to urge China and Japan to join the GBC

Share of world GDP by Region 2017

- Planning a global investment delegation to North Korea
 - Exploring business and investment opportunities in North Korea for global companies after the denuclearization in the North by the time of 2020
 - Arranging meetings with North Korean high-ranking officials
